REGISTRATION REVIEW

We will review your registration, and if there are questions regarding the category you have selected, we will be in contact with you. Registrants may be required to provide verification of their relation with the Payments Industry. Based on our review, we may require registrants to change their rate selection and tender additional registration fees as appropriate. Failure to do so by a registrant will result in registration rejection. We will make reasonable efforts to review for accuracy all selections of each category and notify registrants of potential eligibility for lower rates.

Please note that mere shareholding in a company involved in the Payments Industry is not considered to be active involvement and may cause your registration to be rejected. Notification of rejection will generally be provided within 10 working days after registration is received. Rejected registrations will be entitled to full and prompt refund of registration fees. No other reliance damages will be paid.

CANCELLATION TERMS

Cancellation must be made in writing to the CR Malta at leckett@currency-research.com. Cancellations made in writing or per e-mail with our response one month before the conference date will receive a refund according to refund terms stated at the time of registration.
